TIMOTHY McGRATH, CLERK

DEP. CLERK

MR FRANK,

my name is

Eric Long LY2843 and my reason for writing to you is because on 11/30/17 a discharge was granted to me on the following CUSIP # (315918318) among others. The reason why I'm asking about this particular one is because it's attached to my CPTI51-CR-0001458-[2011] which is being operated by Fidelity Advisor Real Estate. I've been in prison on this CPTI since 1/19/11 which is over 8 years. My sentence is 8 to 17 which I'm over. However on 4-4-19, this sentence was vacated and remanded back to the lower courts. By the Superior Court, on 8-26-19 I had a video hearing which the lower

Court decided to vacate the sentence a second time and Granted me a new trial and to re-instate my Bail and set it at \$100,000, dollars 10 percent \$10,000, which I do not have, I'm trying to go home to my family, enough is enough, my Question to you is if you Granted me a Discharge on 11/30/17, and if creditors cannot collect Discharged Debts, Then why is all this action going on with this CUSIP #315918318, as of this date 8-3-19, I'm still sitting here in a state prison with a Bail that's ten times what it was in 2011, I understand that the case is close, I'm just trying to figure out how is all this action going on with this CUSIP #315918318, enclosuring a response from this would be more than appreciated. If someone brings the bankruptcy, they have to bring the remedy
